Dear Brothers & Sisters in Christ,

In 1991, Power & Dominion Ministries (PDM) began operating when Pastors Frank and Phyllis Dupree stepped down from the senior pastorate at Living Water Church. They began PDM in order to teach the Good News of Jesus' great sacrifice for all humanity and to bring awareness of the power of the Holy Spirit that is available to believers through Him. Jesus explained that the Holy Spirit would empower us, or anoint us, to carry on the work of Jesus. The Holy Spirit would reveal truth and wisdom to us; He would strengthen and encourage us. When we ask the Holy Spirit into our lives, just like we did with Jesus, He would come and fill our persons with Himself. We would then become partners with the Living God for the purpose of building God's kingdom on earth and making disciples of all men by teaching them about Jesus and the principles of God's Kingdom.

My name is Pastor Rick Saladon and I am the son-in-law of Pastors Frank and Phyllis Dupree. In February of 2021, I was made the President of PDM Ministries. My vision and goals for PDM are in alignment with its original founders and Biblical principles.

I intend, by God's grace, to continue the great work that my parents (in-law) began. I am serving alongside my wife, Pastor Linda Saladon, who is now the Vice President of PDM Ministries. I am happy and excited to be working with my current board of directors and look forward to seeing what God will continue to do through this work.

My mission with PDM is twofold; to bring love and hope to all people thorough the saving knowledge of Jesus Christ, and, to bring knowledge to believers regarding how to live a skillful and victorious life through the power of the Holy Spirit. Our vision is to work with churches throughout the world to become the powerful anointed church for which Jesus is returning!

If any of you reading this feel that it resonates with you and would like to partner with me in prayer, financially or both; I would be extremely humbled and grateful.

Yours in Christ,

Pastor Rick Saladon
